

Bylaws Committee Midyear Activity Report
14 March 2007

In the Spring and Summer of 2006 the Bylaws Committee undertook a major revision of the PNC/MLA Bylaws: allowing electronic voting, delineating membership categories, coming into compliance with the 2005 MLA Model Bylaws for Use by Chapters and Sections of the Medical Library Association, Inc. The PNC membership voted in July to accept the changes, the revised bylaws were submitted to MLA, and updated on our website.

For 2007 the Committee will monitor any MLA Bylaws activity that may effect the Chapter. We are also ready to entertain any Bylaws issues or questions from the PNC Board or membership.

Respectfully submitted,

Jan Schueller, Chair

Bylaws Committee Members: Robin Braun, Donna Hudson, Doreen Smith
