

Governmental Relations Committee 2006 report

Chair: Robert Richart
Members: none

I continue to monitor relevant mailing lists. I have forwarded messages to hlib-nw on a variety of issues.

I sent a message in Oct to 'pncmla@u.washington.edu' with information to update the links on the committee web page at <http://depts.washington.edu/pncmla/govrel/>, but without result so far. Can someone send me contact information for the PNC webmaster? Thanks.

My goals for 2007: 1. Continue to monitor ALAWON and possibly other lists and forward relevant messages. 2. Continue to attempt to update the committee web page. As always, I welcome feedback on useful activities for this committee.
