

## PNC/MLA Bylaws Committee Annual Report 2013

In November 2012 the PNC membership voted to approve changes to the Chapter Bylaws pertaining to membership classes. One provision created a document listing the classes, separate from the bylaws and revisable by the board without membership vote. The amended bylaws were submitted to MLA headquarters and the MLA Bylaws Committee and Chapter Council in February 2013 and have been revised on the Chapter website. The committee continues to monitor MLA Bylaws activity and is available for consultation with the chapter Board and membership.

Respectfully submitted,

Jan Schueller, MLS, AHIP, (Retired), Bylaws Committee Chair
