

AHIP Chapter Liaison to MLA Credentialing Committee - Report
November 2010
Joan Wilson, AHIP Liaison

Goals and Objectives 2010

1. Encourage chapter members to pursue membership in the Academy of Health Information Professionals
2. Answer questions about the academy
3. Share information about academy activities with chapter members
4. Forward issues raised by chapter members to the MLA Credentialing Committee

Activities 2010

1. Arranged for AHIP brochures to be available at the MLA Exhibit table during the Annual Meeting in Portland.
 2. Sat at the MLA Exhibit table and spoke with individuals who came by about AHIP.
 3. Planned and presented a Stat Talk on 'The Value of AHIP' at the Annual Meeting.

Goals and Objectives - MLA Credentialing Committee July 2010 - May 2011
(I am not an actual member of the MLA Credentialing Committee - JW)

Goal: Recruitment, Membership and Leadership in the Profession

1. Contribute to the development of MLA emerging leaders by promoting the value of Academy of Health Information Professionals to newer and renewing MLA members through continual marketing activities.
2. Implement the online storage repository for members to store their professional development activities.
3. Review and test the beta version of the online application and renewal system prior to general release to MLA members.

Goal: Life-long Learning

4. Evaluate proposals for additions to the AHIP point index throughout the year and at the Credentialing Committee meeting at MLA 2011.

Goal: Advocacy

5. Help members advocate on their own behalf their value to their institutions through sending notification letters and AHIP brochures to employers commending employee acceptance into the Academy.
