PNC/MLA * NCNMLG * MLGSCA 2004 Joint Meeting

Gold Rush: The Information Frontier ~ January 28-31, 2004, Sacramento, CA

1. **Meetings:** This is the 43rd annual meeting of PNC/MLA, and the first one ever held in California and jointly with NCNMLG and MLGSCA. Previous Joint meetings:

- 14th 1974 Seattle, WA [AWH Joint Meeting]
- 26th: 1986 Jackson Hole, WY [MC/MLA Joint Meeting]
- 30th: 1990 Seattle, WA [MC/MLA Joint Meeting]

2. **50th Anniversary:** PNC reached its 50th year milestone in October 2003. Since the traditional annual meeting was not held last fall due to this Joint Meeting, we will celebrate our 50 year anniversary at our next meeting in Seattle in October 2004. Janet Schnall, PNC Archivist, is chairing the 50th Anniversary Committee.

3. **Records:** The inactive records of PNC/MLA are kept in the University of Washington Libraries Special Collections Division. Any records (especially Program Chair's records from this meeting) should be sent to Janet Schnall as Archivist of PNC/MLA. When committee chairs present or write annual reports, please include the names of the committee members.

4. **Questions:** Members are welcome to ask the Archivist for information that is in the Archives. This is especially helpful when members apply to MLA's Academy of Health Information Professionals (AHIP) and need verification of holding an office in PNC/MLA. Please allow enough lead time to search the Archives, as some of the archives are located off the University of Washington campus. Also note that there is a **Chapter History** section of the PNC/MLA web site that has useful information, including a chart of officers and chairs of committees from 1980-:
