

PNC Mentoring & Recruitment Committee Report

Chair: Dolores Judkins

Members: Lisa Oberg, Liisa Rogers, Heidi Sue Adams

We have not held a meeting this year. I will be sending out an email to discuss what the group can do.

We need someone to work on the web page that will have information about library schools that allow practicums as part of the program and a list of PNC libraries that will take on an intern. Currently a library intern at OHSU is updating the list of library programs that have practicums. A survey will be sent out collecting information from the membership as to which libraries will accept interns/practicums.
