## Current Active Members

As of March 11, 2015, PNC has a total of 159 active members. According to the Spring 2014 Membership Secretary Report, there were 151 active members as of February 25, 2014.

The following table shows details of our active membership according to the Wild Apricot database. Total active members fall under one of two categories: active paid members and active members whose renewal is overdue. Active paid members are those people who have renewed since December 1, 2014. At this time, the database says that we have 82 members in good standing and 77 active members whose renewals are overdue.

Membership Level	Total Active Members	Active Paid Members	Active Members – Renewal Overdue
Emeritus	6	3	3
Individual	126	60	66
Lifetime	17	17	
Student (including “free student”)	10	2	8
<b>TOTALS</b>	<b>159</b>	<b>82</b>	<b>77</b>

## Membership Drive

There was very good response to the Membership Drive held in December 2014, as seen by the 82 renewals for 2015.

An Early Bird Membership Renewal Contest was held for those people who renewed their membership by December 31, 2014. Three prizes were awarded, as approved by the Board. The winners were:

- Rachel Helbing, formerly of Kalispell Regional Medical Center; now at Texas Medical Center – MLA membership for 2015
- Helen Robertson, University of Calgary - \$50 Amazon gift card
- Liisa Rogers, Healthwise, Inc. - \$50 Amazon gift card

Messages have been sent to graduate student coordinators at the University of Washington iSchool and University of British Columbia iSchool, and we should be able to award a free student membership to an individual in each of those schools shortly.

## Membership Database Cleanup

Cleanup of database records was undertaken to identify and merge duplicate records. Records were also reviewed to determine if Wild Apricot was properly calculating membership renewal dates. If a person's membership lapses for a year and then that person reinstates her membership, Wild Apricot counts the payment towards the previous year's membership (the lapsed year) – leaving that person's membership classified as "overdue." These errors have been corrected.
